## EXPERIENCE

### WIX PLAYGROUND DESIGNER

Wix.com | New York City, NY  
June 2019-present

- 1 in 40 participants selected worldwide to participate in Wix's summer program, focusing on web design. Design web assets in a collaborative manner for clients including One World Publishing and non-profit organization Social Good.
- Receive priceless mentorship from influential designers, including Jessica Walsh, Debbie Millman, Adam Kurtz, and many more.

### FREELANCE DESIGNER

Pet Quality Records | Chicago, IL  
January 2019-present

- Designed Pet Quality Record's second musical album, Aftershocks.
- Created CD and LP assets (labels and covers), plus the logo for the company. Currently designing PQR's website.
- Design bluefront's website, conducting user research, and utilizing lo-fi to hi-fi wireframes.

### GRAPHIC DESIGN INTERN

Full Spectrum Features | Chicago, IL  
September-December 2018

- Contributed to FSF's continuing development of modernized branding and identity, utilizing style sheets, working collaboratively with other interns and employees.
- Created infographics, icons, brochures, assets for new website, and posters for upcoming conventions and films.

### SUMMER HOUSING ADVISOR

School of the Art Institute of Chicago | Chicago, IL  
May-August 2018

- Developed and contributed to a positive and comfortable living environment designed to link community, faculty, and residents, often resolving conflict.
- Promoted academic excellence, addressed student needs, and encouraged involvement among residents by hosting programs, addressing the needs of residents, and working desk shifts.

### PROJECT DESIGNER/ PROPOSAL

Province of Utrecht | Utrecht, The Netherlands  
November 2017-January 2018

- Worked on a team with Dutch creative and marketing students to solve the province's question of ways to promote a healthy living environment.
- Researched extensively with team. Arranged and participated in site visits, interviews, data analysis, and team discussions.
- Collaborated with team to create a polished product for the client, which was then used and replicated in the Province of Utrecht's headquarters.
